- Super 8 Motel - 5107 Ave. O  
Ft. Madison, IA (319) 372-6800

Welcome again to the event we call Rising Stars. We are so excited to again have this sale at our place. Last year the video auction went over great. Everyone in attendance really liked the format and we have decided that we won't go back to bringing the live animals into a ring anytime soon. All the cattle offered for sale will be available for your inspection the day of the sale.

The only way I know how to have a sale is to offer your best and I have done just that. This group of cattle I think is easily the best group in each division we have put together.

A special thank you to all our friends in the cattle business and we really look forward to our new friends yet to meet. Call me or anyone associated with the sale with any questions. See you at the ranch on the 12th of December.

- Chad Holtkamp

# Bred Heifers Division

This division of bred heifers is a great mix of Angus, Simmental, and Maine-Anjou influenced genetics. We talk about maternal females and each and everyone of these females in this division are backed by proven genetics for the production of value added cattle. There are no pedigrees that you have to question whether or not they will milk or not. All of these heifers are backed by proven sires and great cow families. We make our living from our cows, purchase these females with confidence as they will work for you also.

I like talking about success stories and this one ties it all together. **MCLAUGHLIN CATTLE** came to Rising Star I and purchased our high selling bred heifer (Fancy) for \$10,900. Fancy's first two natural calves paid back her initial investment. McLaughlin Cattle also enjoyed the ultimate thrill of witnessing Fancy's offspring being named 2010 Reserve Champion Foundation Simmental Heifer at the National Jr. Show and 5th Overall Heifer at the 2010 Iowa State Fair. We all want to make money on the cows but pride of ownership is pretty darn cool too!

# Sweetness

▲ *Center of Attention* - Full Sib to Sweetness  
▼ *Big E* - Dam of Sweetness

## 7 SWEETNESS

BD: SPRING 2009 • ASA #2519072  
Sire: 3C Macho (Meyer 734)  
Dam: Big E (Grid Maker)

AI: 6.10.10 DREAM ON PE: NONE

What a place to start the Rising Star sale. We want to sell our best and when we looked into the bred heifer pen, Sweetness stood out as the obvious choice to lead this event off. Dacota successfully showed Sweetness. She's a beautiful baldy with the caliber to compare to some of the top in the nation.

Sweetness is a direct daughter of Big E, a past Rising Star highlight now owned with Grandstaff Cattle and Myers Cattle both of Missouri. She is a maternal sib to Lil E, the great donor for Craig Conrad. But most interesting she's a full sib to Center of Attention, the promotional bull that sold in last years Rising Star sale to Kirk Rodgers and Scott Snyder. This mating is for real and the cattle are good. Not many chances are offered to acquire this kind of bred heifer.

Just think what this Dream On calf could be worth... interesting isn't it?

## 2 MISS STAR 911

BD: SPRING 2009

Sire: Dream On

Dam: 6X x Angus

AI: 5.28.10 JUNEAU, PE: DAY DREAMER

- Direct Dream On daughter, moderate sized, big bodied and a future powerhouse.
- Her mother is one of the best cows we have in her age group. This was her first calf and if she wasn't so young we would never consider letting this one go.
- One of the true highlights of Rising Stars.

## 3 MISS LAST CHANCE 926

BD: SPRING 2009

Sire: 6X (Meyer 734)

Dam: Sim x Angus

AI: NONE, PE: DAY DREAMER 5.29.10

- With the loss of 6X, this will be the last chance to buy a 6X bred heifer. The 6X daughter's are awesome, so productive, and dollar generators. The past high selling bred's have been sisters to this one.
- Forward thinking cattlemen will be fighting to get one like this. She will generate lots of dollars in her lifetime. We have sold six calves out of 6X daughters in our pasture sales for an average of \$7,200.

## 4 MISS COVER GIRL 917

BD: SPRING 2009

Sire: HCC Dr. Meyer (Witchdoctor x Meyer 734)

Dam: Who Made Who x Sim Angus

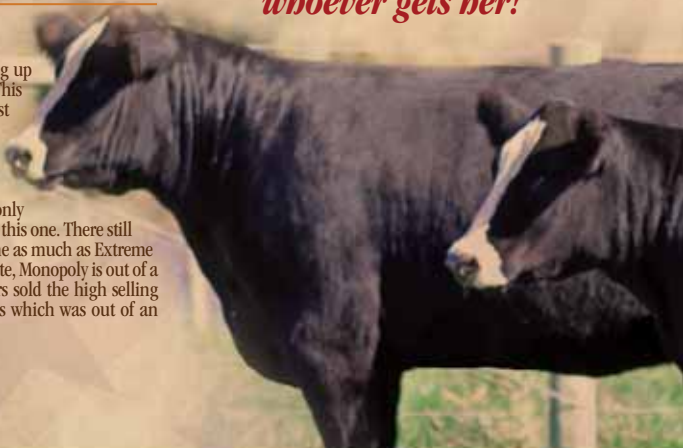

AI: 6.19.10 EXTREME JUSTICE

PE: NONE

Study up on this one! We are stacking up the great steer sire cow pedigree here. This one reads great on paper but most importantly she is a standout among the standouts in person. I have an absolute addiction to black baldy cattle and she has it all.

She's bred to Extreme Justice which only means that I was planning on keeping this one. There still has not been an Angus bull to move one as much as Extreme Justice (Century Touchstone). Take note, Monopoly is out of a Touchstone daughter. Also, Weisingers sold the high selling bull in Houston's 2010 sale in Illinois which was out of an Extreme Justice daughter.

*Cover Girl is a real gem that will be a true breeding piece for whoever gets her!*

## 5 MISS JACKIE 918

BD: SPRING 2009  
 Sire: HCC Dr. Meyer (Witchdoctor x Meyer 734)  
 Dam: Miss Imprint 732 (Imprint)

AI: 5.11.10 JUNEAU, PE: DAY DREAMER

- Big footed, sound, and a true cow prospect.
- Her mother was a top cow prospect out of Rising Star II selling to the McLaughlin Cattle.

### HCC Dr. Meyer

Our herd sire that blends some of the greatest pedigrees of the club calf business. He's impressive on paper and in person.

**Sire:** Witchdoctor. Witchdoctor shows up in more big time winners and high sellers as any bull out there.

**Dam:** Meyer 734 x 550. This is a direct ET daughter of Partiesover 550. These females are known for their great mothering abilities and this family has generated 100's of thousands of dollars.

## 6 MISS CHILL 924

BD: SPRING 2009  
 Sire: HCC Dr. Meyer (Witchdoctor x Meyer 734)  
 Dam: Chill Factor x Angus

AI: 05.23.10 SOS, PE: DAY DREAMER

- What a potential great one. She's hairy, deep, and a pedigree unmatched.
- Here's a cow prospect that should pay her way every year.
- Can't go wrong with this one.

## 7 MISS 919

BD: SPRING 2009  
 Sire: HCC Dr. Meyer (Witchdoctor x Meyer 734)  
 Dam: Imprint x Full Throttle

AI: NONE, PE: DAY DREAMER 5.30.10

- Really nice baldy heifer, lots of maternal look
- Great herd addition female.

## 8 MISS SHAKE-N-BAKE 909

BD: SPRING 2009  
 Sire: Shiver (Chill Factor)  
 Dam: Meyer 734 Granddaughter

### AI: 5.25.10 JUNEAU, PE: DAY DREAMER

What an extra special opportunity awaits here. This one has been one of my favorites since birth. She has had that extra special look, big hair, and power from day one. One thing about it in the club calf business, quality continues to move you forward...lack of quality move you backwards. This heifer can take you forward in the business. Study her and don't miss this Rising Star.

## 9 MISS FIGHTER

BD: SPRING 2009  
 Sire: Rocky Balboa (Ali)  
 Dam: Heat Wave x Donnie Mac

### AI: NONE, PE: DUFF'S NEW EDITION SON 5.18.10

- Big boned, super hairy, and sound
- This one comes from the Lutz family and is a full sib to their high selling steer out of this year's pasture sale.

## 10 WCFI CHARLENE

BD: SPRING 2009 • REG #16553435  
 Sire: HSAF Bando 1961 (Bando 5175)  
 Dam: Travelor 004

### AI: 5.04.10 FINAL PRODUCT, PE: ANTIDOTE SON

- This bred will blow you away with power and mass, but still maintains a soft look.
- She is bred to the popular ABS Angus bull Final Product and comes from Willow Creek Farms.

## 11 MISS 910

BD: SPRING 2009  
 Sire: Extreme Justice (Century Touchstone)  
 Dam: 6X x Sim/Angus

### AI: NONE, PE: DAY DREAMER 6.30.10

- Big, Stout, rugged female.
- Monopoly is out of a Touchstone cow. Looks like taking this girl to Heat Wave genetics looks like a no brainer.

## 12 MISS MIDNIGHT 906

BD: SPRING 2009  
 Sire: Black Out (Northern Improvement)  
 Dam: 6X x Angus

### AI: 5.23.10 RINGER, PE: DAY DREAMER

Everyone talks about lack of consistency in their calf crop, here's an Angus sired bred that's backed up by a 6X cow. What does this mean? Soundness and femininity of an Angus female but still all the power of the 6X foundation. Midnight won't disappoint as a cow. That's why at the Rising Star, we offer maternal bred females you can breed club calf and raise one, not a club calf bred one you hope to raise one. Think about it...big difference. This mating could pay for the factory right off the start.

## 15 MISS BRUNE

BD: SPRING 2009  
 Sire: Extreme Justice (Century Touchstone)  
 Dam: Western Union/Choo x Angus

### AI: 5.04.10 SHIVER, PE: ANTIDOTE SON

Moderate sized and stout. This female is out of a past Rising Star female purchased by Jason Brune. When I saw this female as a calf, I knew she needed to be added to the Rising Star sale. Jason, welcome to the Rising Star success stories. This heifer's mother has a lifetime of production. Someone else will start their own success story with this one.

## 14 MISS 907

BD: SPRING 2009  
 Sire: Northern Improvement  
 Dam: Meyer 734 granddaughter

### AI: NONE, PE: DAY DREAMER

- Pretty and a great looking female. Here's another one of the Angus sired females.
- Enough hair for the Alaska climate.

## 16 MISS BUILT FOR SPEED 932

BD: SPRING 2009  
 Sire: Lamborghini 56 (Lamborghini 58L)  
 Dam: Maine Break x Angus

### AI: 5.29.10 JUNEAU, PE: DAY DREAMER

- I can't say enough on what the Lamborghini bred cattle have done for us here. They are easy to sell because they have look and hair. Predator is making everyone out there take notice of the outcross genetics.
- Just look at her now or sale day. She has what it takes. Her mother is one of my favorites.

## 17 MISS SPEED TRAP 935

BD: SPRING 2009  
 Sire: Lamborghini 56 (Lamborghini 58L)  
 Dam: Meyer 734 x Angus

### AI: 5.23.10 MIDLAND, PE: DAY DREAMER

- Chubby, hairy, stout... she's a steer momma plain and simple.
- Just another chance to acquire Lamborghini genetics. This one is as good made as anywhere and you are able to breed her to all the popular club calf sires without any worry.

## 18 MISS 938

BD: SPRING 2009  
Sire: Lamborghini 56 (Lamborghini 58L)  
Dam: Angus

### AI: NONE, PE: DAY DREAMER

•Looking for a bred with that shot of Maine and yet a cow...check this one out.  
•Versatile, lots of ways to go with this one. She was preg checked early.

## 20 MISS 937

BD: SPRING 2009  
Sire: Lamborghini 56 (Lamborghini 58L)  
Dam: Chug A Lug (Extreme Justice x Choo Choo)

### AI: 5.25.10 GRIZZLY, PE: DAY DREAMER

•She traces back to Choo Choo and as you will see she has similarities to her. Extremely well balanced and smooth.  
•Grizzly could make this purchase free next year. Don't worry that's ok.

## 22 MISS RENEE

BD: SPRING 2009  
Sire: Dr. Who (Who Made Who)  
Dam: Habanero

### AI: 5.25.10 PREDATOR, PE: NONE

•Check this one out, her full sister produced \$27,000 on her first four calves.  
•Shaggy and long necked mated with Predator, the first calf could be the best one you ever raised. How could you stack up pedigrees any better?

## 24 MISS 922

BD: SPRING 2009  
Sire: Premium Blend  
Dam: Maine

### AI: 5.10.10 RINGER, PE: DAY DREAMER

•Big footed, big boned and super freaky.

## 19 MISS 933

BD: SPRING 2009  
Sire: Lamborghini 56 (Lamborghini 58L)  
Dam: Angus

### AI: 5.10.10 WISDOM, PE: DAY DREAMER

•Cow power here, backed by a great New Look Angus cow. Soundness and power together in one.  
•Check out this mating. Wisdom is the sire of lot 68 Lights Out bull. Homerun mating awaits this one.

## 21 MISS MONEY

BD: SPRING 2009  
Sire: Money Shot  
Dam: Limited Edition

### AI: 3.31.10 PREDATOR, PE: NONE

•Here is a hairy, square hipped, ground sow from the Minnaert herd. Jason and Jay are really making their mark in the show cattle business and offering this bred that is a maternal sib to one sold for \$10,000 this fall.  
•Bred early to Predator. Jump on her early because this return on investment could be fast.

## 23 MISS HOTTY 931

BD: SPRING 2009  
Sire: Hot Commodity (Hot Line)  
Dam: Angus

### AI: 5.10.10 WISDOM, PE: DAY DREAMER

•Long necked and straight lined.  
•Maine-Anjou genetics are so versatile.

# Cow Division

This is the group that makes this an event. Proven donors right out of the donor pen. Hard working cows that have produced every year, bred back to leading sires for immediate success.

Our philosophy has been to offer our best. If it doesn't hurt to let some go than your not digging deep enough. These girls are hard to let go and yes, it does hurt!

Make sure you take the time to study these cows and see them in person if possible. Time and catalog space did not allow pictures of the AI'd cows. Check out their videos and feel free to discuss them with me anytime.

**Online videos on entire offering at:

## 25 HFS SYDNEY

BD: SPRING 2004 • ASA# 2244139

Sire: CNS Mr. MT L773

Dam: 355J

AI: 6.13.10 WALKS ON WATER, PE: NONE

I think we have had some cows around here that were powerful and have produced. Sydney does not take a back seat to any of them. Sydney has a great look and just takes your breath away when you stand by her and realize how massive and big footed she is. A true sale feature.

Mated to Walks On Water and just think of the possibilities this mating could be. I have never been so excited in the anticipation of the Walks On Water calves. She has the potential to make a display bull or high selling steer or heifer. Oh by the way, she has consistently produced dollars. Selling calves for \$8000, \$7500, \$5750 and \$4000.

▲Theobald 969 by Sydney

▼SOS by Sydney

# Lucky Star

## 26 LUCKY STAR 79P

BD: SPRING 2004 • ASA# 2252944  
 Sire: Imprint (Duracell)  
 Dam: Linda's Girl (C339U)

**AI: 5.10.10 DREAM ON, PE: NONE**

One of our all time great ones. Here's her story. Undeafated Foundation Simmental heifer in 2005. Fourth overall at the Iowa Beef Expo. Star was the lead bred heifer and sale highlight in the Throgmartin Run For the Roses sale, held at the Hilton Garden Inn in November 2005. She sold for \$14,500 to Tim Heckman and Jeff O'Leary. Her first calf sold for \$7500 and then a flush sold at the Frozen Gold for \$5000 in 2006. Several other embryos have sold out of her. We sold 3 Heat Wave embryos in our Rising Star I sale to Rich Yates, IL for \$800 each and Rich raised a steer we sold for him in our 2009 pasture sale for \$9500. A year ago, Tim Heckman offered us his half of Star and we jumped at the opportunity. Jeff and I flushed her last fall and she was very successful. We've put in several embryos and we're expecting some great results in 2011. Jeff would like to decrease his number of partnership cattle so we decided to disperse our partnership and sell her in her entirety.

Star has the coolest disposition and is in the prime of her production. She's mated to Dream On for immediate return. Don't think twice on this opportunity. O'Learys have been great partners and its been a great ride!

*Heatwave calf by Lucky Star ▲  
 Lucky Star as a calf ▼*

## 27 MISS IMPROVEMENT

BD: SPRING 2007  
 Sire: Northern Improvement (365)  
 Dam: Heat Seeker x Full Throttle

**AI: 5.11.10 WALKS ALONE, PE: SHAKE-N-BAKE**

- If a picture is worth a thousand words... check out this picture! It still is nothing compared to this one in person.
- Mated to Walks Alone, this is one of several that you can immediately be in the club calf business for 2011.
- Special thanks to Weisinger Farms for parting with this one.

## 29 MISS 730

BD: SPRING 2007  
 Sire: Dr. Who (Who Made Who)  
 Dam: Sim x Angus

**AI: 5.09.10 WALKS ALONE, PE: NONE**

- Direct Dr. Who black baldy... must see cow.
- Easily could be a sale feature, we've retained her first heifer calf.

## 31 MISS 511

BD: SPRING 2005  
 Sire: Aftershock (Meyer 734)  
 Dam: Angus

**AI: 6.22.10 FROSTY, PE: HOKA HEY (3C MACHO)**

- Functionally built, beautiful made cow.
- Check out this mating to Frosty (Draft Pick) the sire of Ferguson super cow that had all those high sellers at Wade Rodgers. I know that's interesting

## 28 MISS 6X 716

BD: SPRING 2007  
 Sire: 6X (Meyer 734)  
 Dam: Sim x Angus

**AI: 5.10.10 WALKS ON WATER, PE: NONE**

- One of the last chances to get a 6X daughter. What a great cow.
- Bred to Walks On Water... what a mating. You've got to check her out.

## 30 MISS 5091

BD: SPRING 2005  
 Sire: Aftershock (Meyer 734)  
 Dam: Angus (6807)

**AI: 6.12.10 BOJO, PE: HOKA HEY (3C MACHO)**

- Aftershocks make great cows and this one is definitely that great cow.
- Baldy cow, milks great, and maintenance free.

## 32 MISS 836

BD: SPRING 2008  
 Sire: Mitten Man  
 Dam: Angus

**AI: 5.25.10 PREDATOR, PE: UCB (PREDATOR'S FULL BROTHER)**

- We grabbed one of our best coming three year old's bred to Predator.
- Young, feminine, great uddered, and classy best describes this one.

## 33 MISS CUNIA III

BD: SPRING 2003  
Sire: Cunia  
Dam: Angus

AI: 6.24.10 HEAT SEEKER, PE: FIRE & ICE  
(HABANERO X CHOO CHOO)

- Rob and Kirk, here's the last chance at the Cunia flush sisters. Great producer is an understatement.
- Full sister to lot 2 of Rising Stars I and lot 1 of Rising Stars III. Grandmother to Lights Out , lot 68.

## 35 MISS 612

BD: SPRING 2006  
Sire: Pitch Black (Full Flush)  
Dam: Imprint x Maine

AI: 5.31.10 SMILING BOB, PE: HOKA HEY  
(3C MACHO)

- This cow came to us as a high selling bred heifer from Rick Frye. One with bone and power.
- I thought this was an interesting mating.

## 37 MISS 51

BD: SPRING 2005  
Sire: Imprint  
Dam: Full Throttle x Angus

AI: 5.30.10 PREDATOR, PE: IRISH WHISKEY GRANDSON

- Another offering from Jason Brune. This is a heavy muscled cow that has done a great job for him.
- I wanted as many as possible bred to Predator. Get aboard, the Predator movement has left the station!

## 39 MISS 557

BD: SPRING 2005  
Sire: Friction (Full Flush)  
Dam: Sim x Angus

AI: 6.20.10 HOLLYWOOD, PE: NONE

- Direct Friction daughter, we purchased her at the Perry Anderson dispersal. She's a little western.
- Awesome milker and great pedigree.

## 34 MISS TNAT N SSR JULIE 56M

BD: SPRING 2003 • AMMA #305549  
Sire: Limit Up  
Dam: N SSR Miss 910

AI: 6.14.10 PREDATOR, PE: FIRE & ICE (HABANERO X CHOO CHOO)

- Dam to Lamborghini 56, past National Champion Division winning Maine Anjou female.
- Dam to several high sellers including \$8750 Lamborghini heifer calf. She owes me nothing. . . great producer.

## 36 MISS 736

BD: SPRING 2007  
Sire: Big Iron (Heat Seeker) TH Free  
Dam: Meyer 734 x Angus

AI: 5.22.10 SMILING BOB, PE: HOKA HEY  
(3C MACHO)

- Super complete, moderate sized cow. She would be TH & PHA free by pedigree.
- Another one for a quick return.

## 38 MISS BUSINESS

BD: SPRING 2003  
Sire: Strictly Business  
Dam: Sim x Angus

AI: 6.14.10 PREDATOR, PE: DREAM ON SON (PB)

- Everyone that has followed our program knows that some of our best cow families have come from Kim's dad, Ronnie, and this one is no exception.
- She has produced a couple county fair champions and will stand out on sale day. Mated to Predator . . . OH MY!

## 40 MISS 765

BD: SPRING 2007  
Sire: Angus (New Look Son)  
Dam: Angus

AI: 06.11.10 BOJO, PE: FIRE & ICE (HABANERO X CHOO CHOO)

- Super cow, her Dr. Meyer heifer calf is one of my top replacements this year.
- Don't miss this one. . . she is good.

SIRE: DMCC Lamborghini  
DAM: Jewel (Backdraft x Angus)  
3/4 Maine :: 70 lbs BW

309.489.6024

**Reports are good from the first Predator calves that sold!** A Predator heifer was recently sold by Holtkamp Cattle for \$10,000 **More & more are hearing us roar!** Special thanks to our spring semen customers. Predator's demand is strong, his calves are the talk of the fall season! **Hear his roar!** Collected at Nichols Cryo-Genetics. Semen ready to be shipped!

# Open Heifers Division

These heifers are built for the showing, but more importantly they are cow prospects. This group is by far the best group of heifer calves we have sold at auction. They are broke to lead and ready to show. Don't pass these females up even if you aren't in need of a show heifer because they will make great cow prospects.

Enjoy shopping through, these are fun to look at!

# Embryo Division

Rising Stars is definitely known for the frozen genetics. That is the most commonly asked question throughout the year is what's going to be selling as far as the embryos. Our answer is simply that we will be offering the best we have and our friends have.

There is no faster way to move forward in your breeding program than by purchasing embryo's. The opportunity is here to get some embryos out the most proven cows in the industry. Not every day do we offer direct genetics to these cows. Take your time and think of the possibilities that you could do with the offspring of these mating's. Also, pride in ownership is a great thing.

All these embryos sell with the guarantee of 1 pregnancy per 3 egg package. If a pregnancy is not achieved, the buyer will be entitled to 1 more embryo of that same mating or comparable mating.

Shipping is the responsibility of the buyer. Each lot will have embryo location sale day.

## Big Momma

**52** 3 NO.1 EMBRYOS

SIRE: GRIZZLY

DAM: BIG MOMMA 23 (ANGUS X FULL THROTTLE)

### STORED AT THE FARM

Several requests have been made as to whether or not we could offer some of Big Momma 23's embryos. ...Here they are! This cow needs no introduction. She is the mother of Immortal, Walks On Water, and Bella. We have full sibs to these coming this spring and I don't care if it's a bull or heifer. Not many chances to own great genetics. Don't wait around thinking that a chance will come later...Act Now!

*Bella*

*Yo Momma*

**53 3 NO.1 EMBRYOS**

OWNED BY GRANDSTAFF CATTLE, MO  
Sire: Predator  
Dam: Bella (Sunseeker x Big Momma 23)

**STORED AT GRANDSTAFF CATTLE**

The only direct daughter of Big Momma 23 in production. She was successfully shown and is a mini me to her mother. When you see her in person, she is breath taking. The mating of Predator is exciting. Predator's first 3 daughters to sell brought \$30,750, \$12,000, and \$10,000. The first one shown was Maine calf champion at the 2010 American Royal Open and Junior Shows. Opportunity is knocking here!

Predator

**54a 3 NO.1 EMBRYOS**

Sire: Irish Whiskey  
Dam: Yo Momma 012 (Full Throttle x Angus)

**STORED AT WESTWOOD**

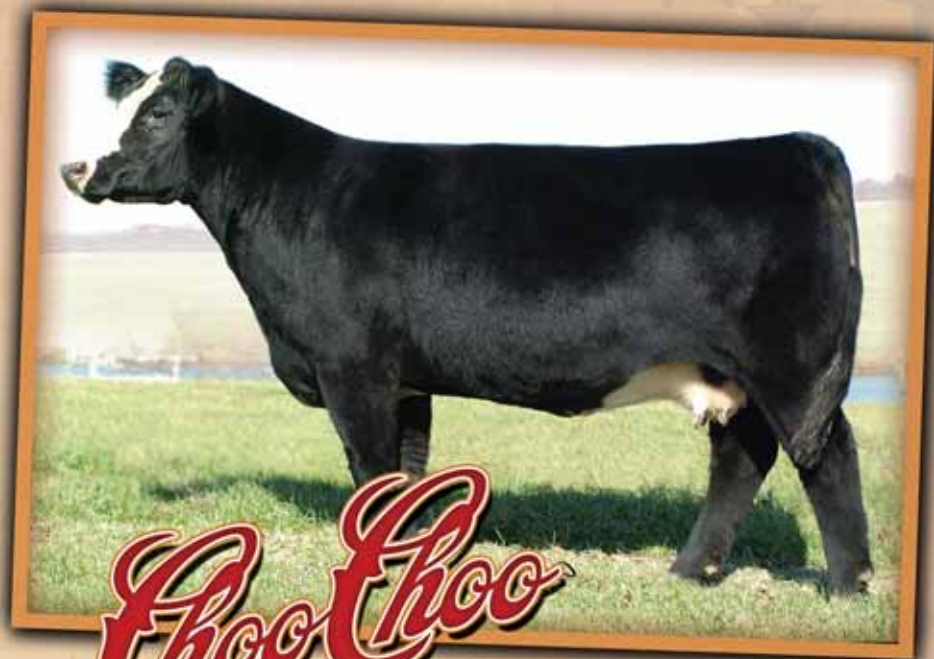

Yo Momma was the feature of Rising Stars III. She's the dam to Big Momma 23. After our sale she became part of the Embryos On Snow sale in Denver, CO. Three embryos sold at that event for \$1500/each. Any mating to here should work great. Irish Whiskey daughters have dominated the production of high selling show cattle. Heat Seeker is still the grandfather of all the champions. No throwaways on these matings.

**54b 3 NO.1 EMBRYOS**

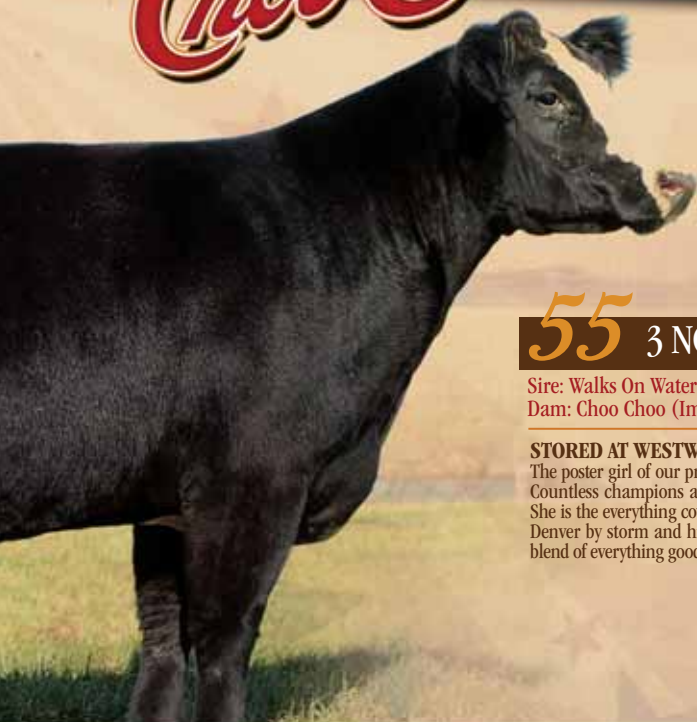

Sire: Heat Seeker  
Dam: Yo Momma 012 (Full Throttle x Angus)

**STORED AT THE FARM**

*Choo Choo*

**55** 3 NO.1 EMBRYOS

Sire: Walks On Water

Dam: Choo Choo (Imprint)

**STORED AT WESTWOOD**

The poster girl of our program should need no introduction. Countless champions and high sellers on multiple sires... She is the everything cow. Walks On Water started out taking Denver by storm and his popularity has not let up yet. The blend of everything good is right here!

National Classic XXX  
Des Moines, IA  
2010

Reserve National Champion  
Foundation Simmental Heifer

# Fancy

**56** 3 NO.1 EMBRYOS

OWNED BY: MCLAUGHLIN CATTLE, IA  
Sire: 3C Macho  
Dam: Fancy (9FB3 PB Angus)

#### STORED AT WESTWOOD

Full sibs to the reigning Reserve National Champion Foundation Simmental Heifer for Mitchel Udell, IA. This ½ blood Simmental mating has unlimited potential. Farrah (Mitchel Udell's heifer) was admired for her capacity, balance, and femininity. Fancy was a highlight in the Rising Stars I sale and these are the first embryos offered on this star.

*View videos  
online at  
[www.holtkampcattle.com](http://www.holtkampcattle.com)*

*Jewel*

**57** 3 NO.1 EMBRYOS

Sire: Friction (Full Flush)  
Dam: Jewel (Backdraft)

**STORED AT THE FARM**

Mating of the popular deceased Friction to the mother of Predator. Jewel is a moderate, hairy cow that could hit big time to Friction. You want the chance to win big with no discount on calf sex than look here!

**58** 3 NO.1 EMBRYOS

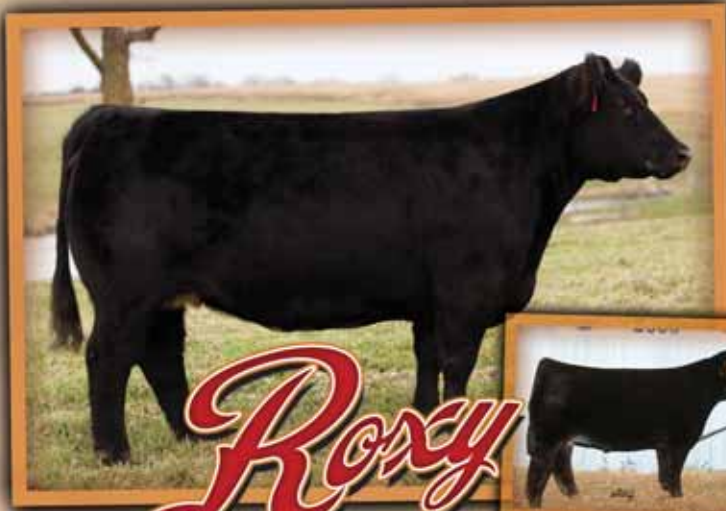

Sire: DMCC Lamborghini 58L  
Dam: American Gal 011 (Draftpick)

**STORED AT THE FARM**

Both sire and dam tested TH & PHA Free. Full sibs to the \$51,000 heifer from one of our past pasture sales. American Gal went on to win often and big. We hesitated to offer these but, in order to keep this event filled with our best and help out our customers we couldn't keep them out.

*American Gal*

**59** 3 NO.1 EMBRYOS

Sire: Heat Wave 5  
Dam: Roxy (Fear This)

**STORED AT COLLISON VET CLINIC**

Heat Waves to the full sister to Strictly Business who sold in last years Rising Stars III sale. Full sibs to several high sellers and show champions. Roxy also made a splash by selling at the Embryos On Snow, Denver, CO last year. Don't over think a mating that works. . . this one works.

**60** 3 NO.1 EMBRYOS

OWNED BY: KIRK RODGERS, IA  
Sire: Dr. Who  
Dam: Rodgers Macho

**STORED AT KIRK RODGERS**

Just like Christmas only coming once a year, so does your opportunity to purchase the Dr. Who x Rodgers Macho embryos. Full sibs to this mating have sold for \$36,000 and \$19,250. The chance to raise one as good as the ones Rodgers Macho have made doesn't come along often. Proven mating time and time again.

*Full Sib Embryos to Lot 60*

## 61a 3 NO.1 EMBRYOS

OWNED BY HEATON CATTLE, IL  
 Sire: Predator  
 Dam: Sara (Irish Whiskey x O'Leary 911)

### STORED AT HEATON CATTLE

What a chance of a lifetime. Predator to Sara. Sara was one of the most successful maintainer females shown in the Midwest last year. Sara was not only successful as a show heifer but also was named champion cow/calf pair at the National Jr. Maine-Anjou show. Her calf was named calf champion at the same nationals as a high maine. Predator has shown to work extremely well on Irish Whiskey. A daughter was named calf champion at the 2010 American Royal in both the open and jr. show. Step up your opportunity is here and now!

## 61b 3 NO.1 EMBRYOS

OWNED BY HEATON CATTLE, IL  
 Sire: Walks On Water  
 Dam: Sara (Irish Whiskey x O'Leary 911)

### STORED AT HEATON CATTLE

We talked about Sara's success but mate her to Walks On Water and the universe is the limit, not the sky. These pedigrees with two great individuals will work - what better odds! Invest in greatness here!

# Bull Division

## 62 SUPERSTAR

BD: 3.11.10 • BW: 88 LBS • ½ SIMMENTAL  
Sire: Grizzly  
Dam: Choo Choo (Imprint)

- Direct son of Choo Choo, check him out Choo Choo is shining through him.
- Where can you find a bull with this kind of maternal backing, hairy, and has the look.
- I know it is early to find a bull, but when opportunity knocks, you need to take it.

## 64 SURVIVOR

BD: 1.20.10 • BW: 92 LBS • ½ SIMMENTAL  
Sire: SOS (DJ Salute)  
Dam: Sydney (LOT 25)

- Style, quality, and muscle. Everything you need in a half Simmental bull.
- SOS has shown to make great ones and Sydney needs no introduction. Can't miss this herd sire.

## 63 KNOWLEDGE

BD: 3.24.10 • BW: 60 LBS • COMPOSITE  
Sire: Wisdom (Sooner)  
Dam: Carneyman x Angus

- True calving ease prospect, small and very vigorous when he was born.
- What a great look in this young heifer bull that will add value to your herd for years to come.

## 65 HIGH ROLLER

BD: 1.25.10 • BW: 96 LBS • ¼ MAINE  
Sire: Lamborghini 58L  
Dam: American Gal (Draftpick)

- Full sib to the \$51,000 successful show heifer.
- Body and power. Check him out sale day or on video.

## 66 BIG MONEY

BD: 3.20.10 • BW: 80 LBS • REG. ANGUS  
Sire: OSU Currency (Moneymaker)  
Dam: Fancy (9FB3)

- Fancy's natural bull calf this spring. Maternal sib to the Reserve Champion National Foundation Simmental Heifer.
- Ultra complete, sound, and body. Everyone can use Angus genetics.

## 67 BOOTLEGGER

BD: 3.10.10 • BW: 89 LBS  
 Sire: BOJO (Ali)  
 Dam: Meyer 734 x 550 Angus

### RETAINING 25% SEMEN INTEREST

Bootlegger has always been a calf, that you wonder how can a calf with as many maternal sires in his pedigree have so much power. His rib shape, body volume, and big square hip have always been intriguing. He has the power to make steers and his daughters should be able to make and raise steers. Bootlegger's ran fast. . . this bull is built to run in the fast lane.

## 68 LIGHTS OUT

BD: 3.05.10 • BW: 65 LBS. UNASSISTED  
 Sire: Wisdom (Sooner)  
 Dam: Ali x Cunia

### TH & PHA FREE BY PEDIGREE

### RETAINING 50% SEMEN INTEREST 50% ALTERNATING POSSESSION

A true heifer bull prospect. He came unassisted and had that cocky look from the start. Lights Out is ultra sound, and soft middle. He was always so hairy as a baby it was a little hard to tell everything about him. After, a bath and haircut it was Lights Out. I knew he was special. We are excited for his use here.
